

## 11-3011: Polyclonal Antibody to NALP10

|                                |                                                                                                                |
|--------------------------------|----------------------------------------------------------------------------------------------------------------|
| <b>Clonality :</b>             | Polyclonal                                                                                                     |
| <b>Application :</b>           | WB                                                                                                             |
| <b>Reactivity :</b>            | Human                                                                                                          |
| <b>Gene :</b>                  | NLRP10                                                                                                         |
| <b>Gene ID :</b>               | 338322                                                                                                         |
| <b>Uniprot ID :</b>            | Q86W26                                                                                                         |
| <b>Format :</b>                | Purified                                                                                                       |
| <b>Alternative Name :</b>      | NLRP10,NALP10,NOD8,PYNOD                                                                                       |
| <b>Isotype :</b>               | Rabbit IgG                                                                                                     |
| <b>Immunogen Information :</b> | A partial length recombinant NALP10 protein (amino acids 450-650) was used as the immunogen for this antibody. |

### Product Info

|                            |                                                                                                                               |
|----------------------------|-------------------------------------------------------------------------------------------------------------------------------|
| <b>Amount :</b>            | 25 µg / 100 µg                                                                                                                |
| <b>Purification :</b>      | Protein A Chromatography                                                                                                      |
| <b>Content :</b>           | 25 µg in 50 µl/100 µg in 200 µl PBS containing 0.05% BSA and 0.05% sodium azide. Sodium azide is highly toxic.                |
| <b>Storage condition :</b> | Store the antibody at 4°C, stable for 6 months. For long-term storage, store at -20°C. Avoid repeated freeze and thaw cycles. |

### Application Note

Western blot analysis: 1-2 µg/ml

Fig-1: Western blot analysis of NALP10. Anti-NALP10 antibody (11-3011) was used at 2 µg/ml on HepG2 lysate.
